March 30-31 Tielt | Belgium

Stefaan Marcelis

Sint-Andries Ziekenhuis, Tielt, Belgium

Tjeerd Jager

Algemeen Stedelijk Ziekenhuis, Aalst, Belgium

Kurt Vanderdood

Zuyderland Medical Center, Sittard, Netherlands.

Michel de Maeseneer

AZ-VUB, Brussels, Belgium

Introduction

The advanced course aims to teach musculoskeletal ultrasound and is designed to learn the practice of standard ultrasound examinations.

For that purpose, the key anatomic structures are discussed for each joint and emphasis is placed on training each participant individually in practical sessions.

This is guaranteed by the presence of experienced teachers and by the limited number of participants (maximum 32) accepted for each training session.

We look forward to seeing you in Tielt.
